The information in this drawing is compliant with Chapter 8 of the Traffic Signs Manual & customer instructions.

This layout is for installation by an NRSWA, 12A, 12B, 12D qualified engineer and may be modified to suit the conditions at the time of installation.

Notes:

Scheme

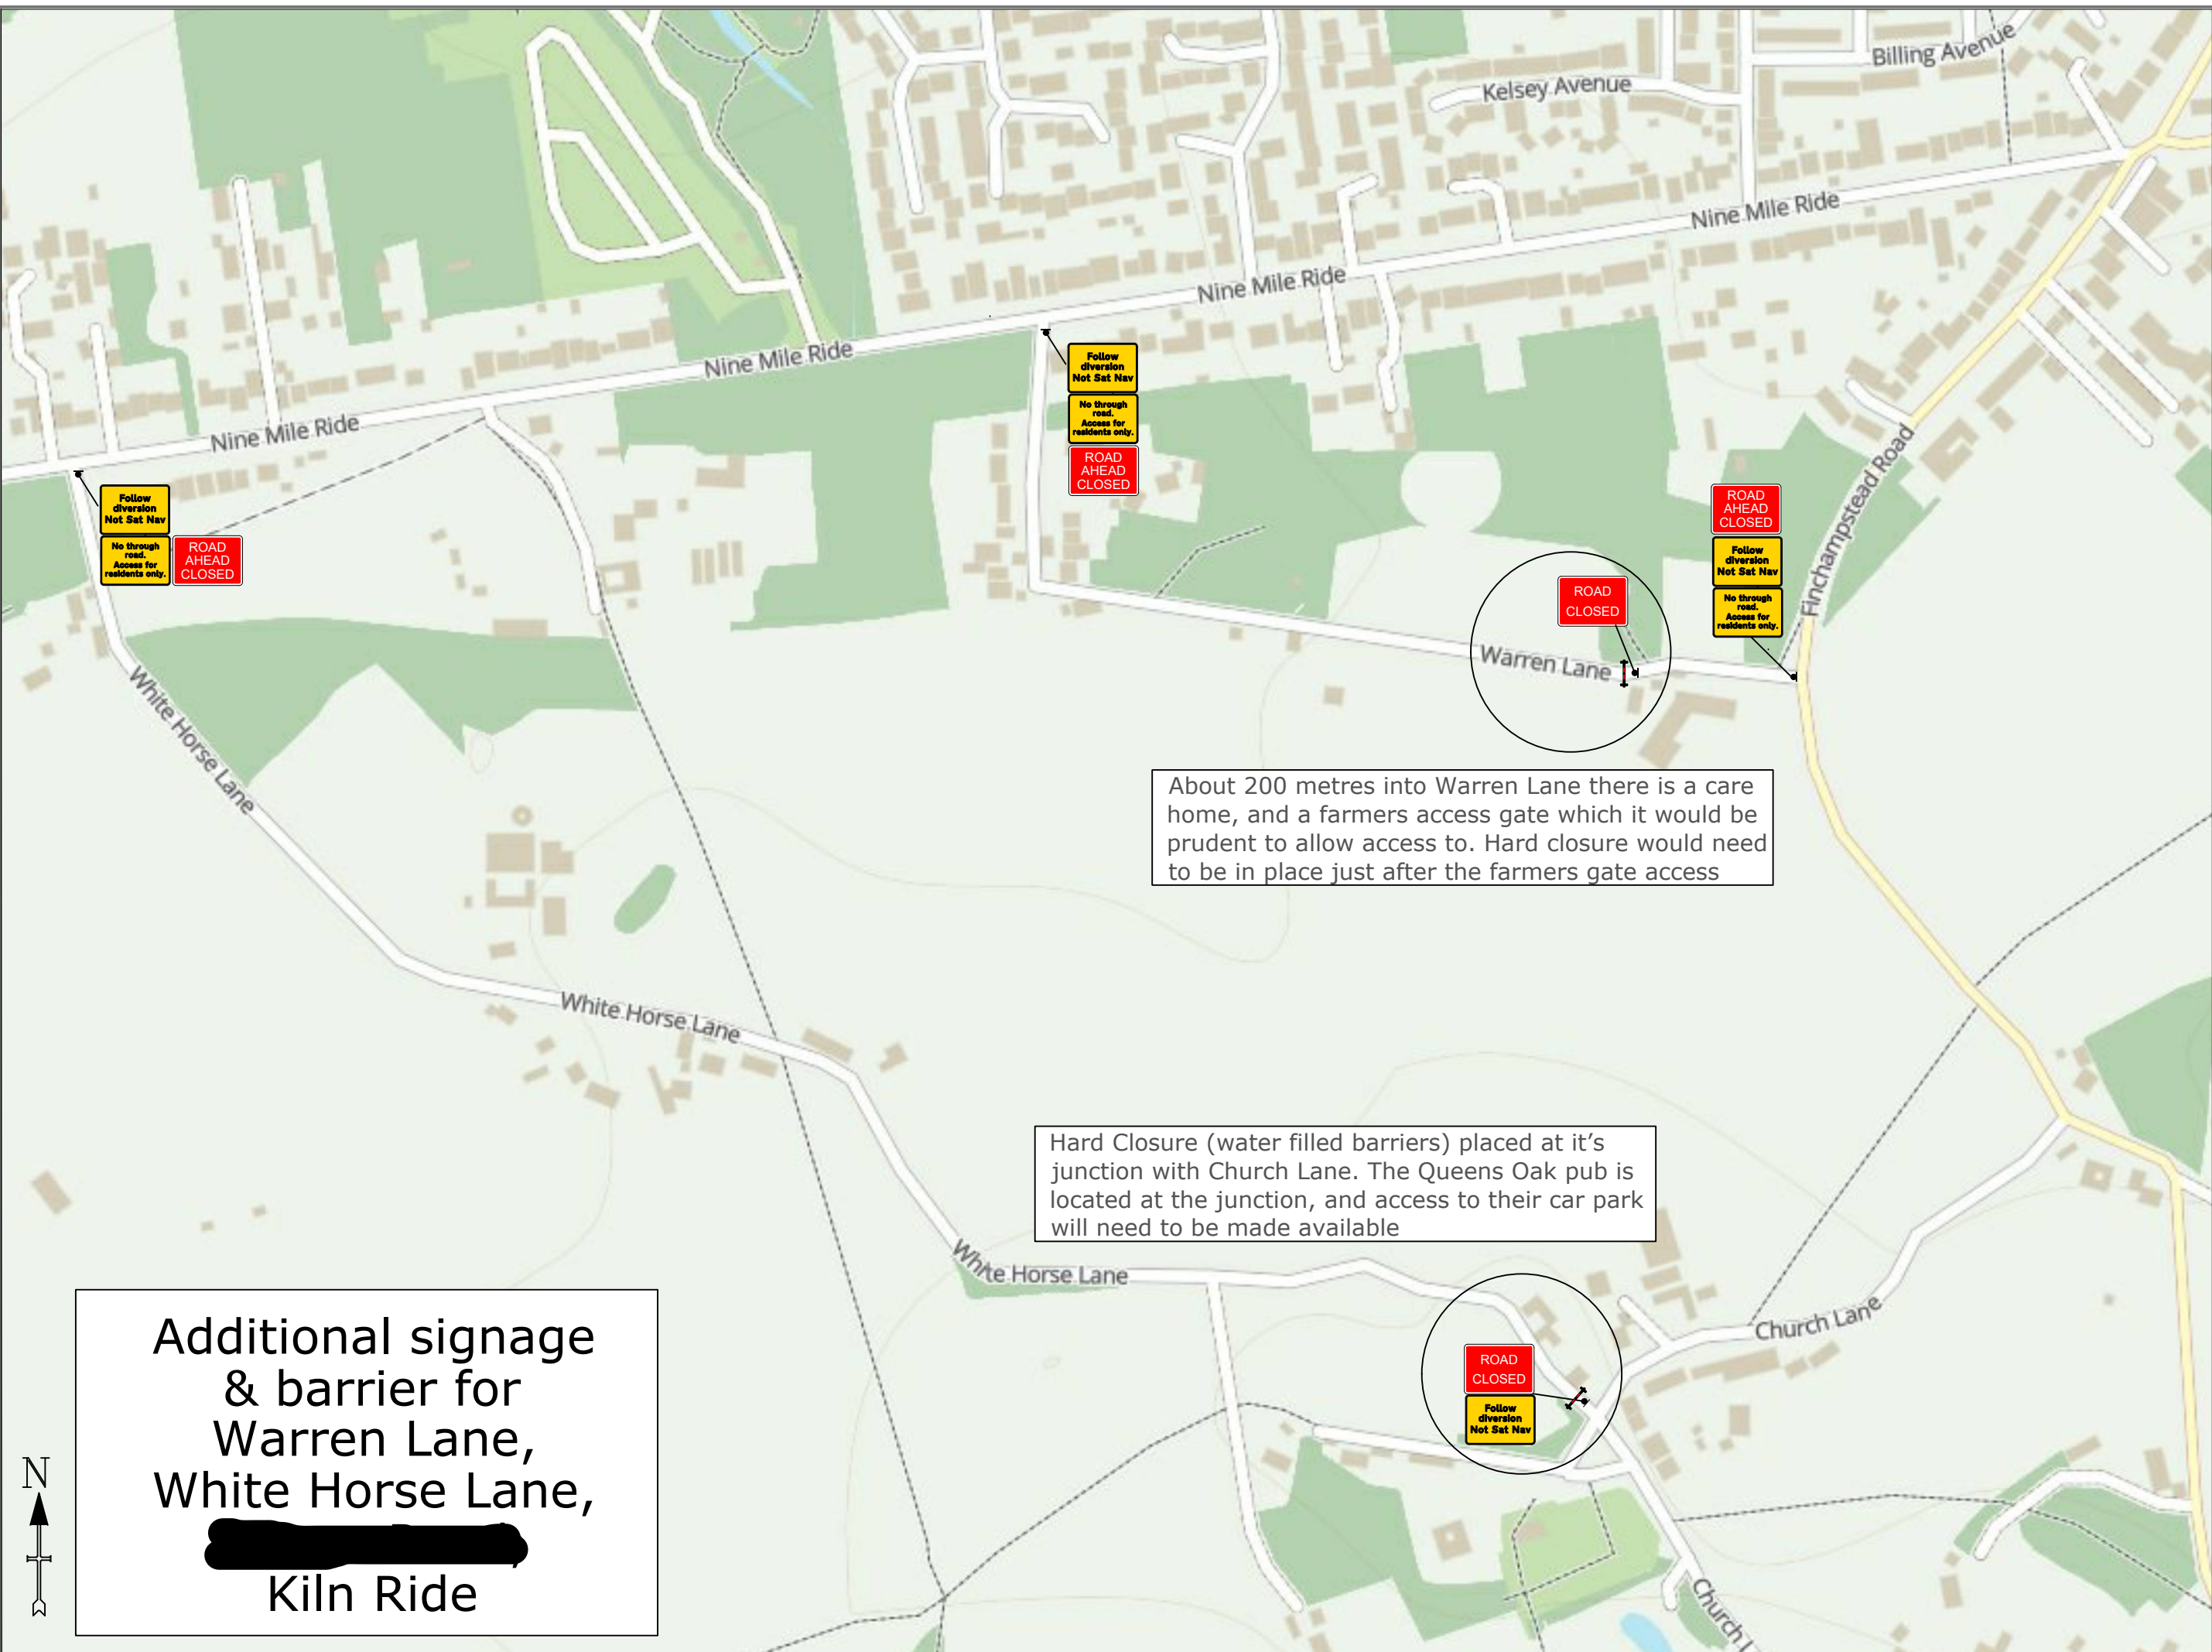

California Crossroad

Client

BQS

Unit X,  
Willments Shipyard,  
Hazel Road,  
Woolston,  
Southampton.  
SO19 7HS.

About 200 metres into Warren Lane there is a care home, and a farmers access gate which it would be prudent to allow access to. Hard closure would need to be in place just after the farmers gate access

Hard Closure (water filled barriers) placed at it's junction with Church Lane. The Queens Oak pub is located at the junction, and access to their car park will need to be made available

Additional signage & barrier for Warren Lane, White Horse Lane, [redacted], Kiln Ride
